Burlie Locklear

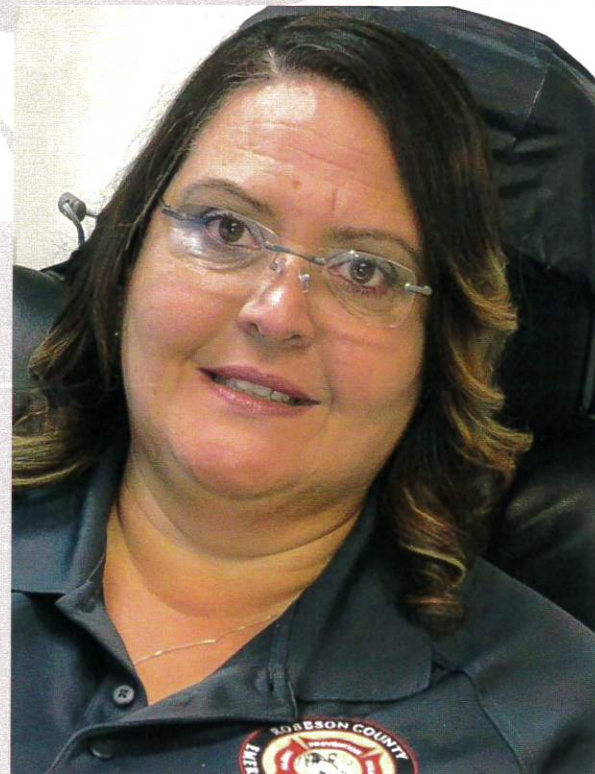

Bobby D. Locklear

Stephanie Velicity Strickland Chavis was born in Robeson County, on April 5, 1965, to the late Ray Strickland and wife Pandora, of Pembroke. Her mother was an Educator and her father was a Law Enforcement official. She has one sibling; Michelle Strickland. Stephanie was married to the late Delwood Chavis, and they had two daughters, Anya ShaLee and Kristen Mataya. She is blessed with three grands; Xavier, Aloysius and Adelyn.

Stephanie was one of the members of the last graduating class of Prospect High School, Class of 1983, just before students had to begin attending Purnell Swett High School. After graduating from High School, Stephanie continued her education at Pembroke State University, now known as UNC-Pembroke. She graduated with a Bachelor's degree in Criminal Justice. Since the University was established in 1887, the school celebrated its centennial in 1987. With Stephanie graduating in the Pembroke State University Class of 1987, she became a part of history, along with the other graduates, who signed a document which was placed in the wall of the Student Center, to be opened in the year 2087.

Stephanie began working for Robeson County Emergency Management as secretary in 1988 and later moved over to the Fire Marshal's office in 1992 to fill the position as Fire Inspector and Fire Investigator. Stephanie continued to work as Fire Inspector and Fire Investigator until November of 2013

Stephanie Velicity Strickland Chavis

when she was promoted to Director of Emergency Management and County Fire Marshal.

Stephanie is one (1) of six (6) female Emergency Management Directors and one (1) of three (3) female Fire Marshal in the state of North Carolina. She is the only female Lumbee Indian to hold these positions in North Carolina. She is responsible for planning and leading the responses to natural disasters and other emergencies. With Hurricane Matthew in 2016 and Hurricane Florence in 2018, Robeson County was exposed to devastation not seen in 50 + years. Stephanie served as the lead first responder in both incidents. She has served her county for more than 30 years and has a deep love for God, family, her job, the citizens and especially first responders.

In Loving Memory of Shirley Mae Revels Locklear

MAY YOU REST IN GOD'S LOVING ARMS

"RESTING HIGH ON THAT MOUNTAIN"

Little Miss Lumbee 2019-2021

Riley Madison Dial is the 11-year-old daughter of Stephanie Jacobs and Robert Dial. Riley is the youngest, and the only girl of four children. She has three brothers Seth, Jacy, and Christian and they reside in the Pembroke community. Riley currently attends Prospect School and is in the sixth grade. Her future ambitions are to become a teacher. Riley and her family attend Elrod Baptist Church where she loves singing in the children's choir. Along with singing, she enjoys hunting, drawing, painting, shopping, and playing with her Teacup Yorkie Bella. Riley loves representing her Lumbee people and learning about her Native American culture. She is a firm believer that with God all things are possible and her message to other little girls is to never give up on your dreams.

RILEY MADISON DIAL

She has a passion and love for serving her Lumbee people. Kyla has been active as a volunteer in her community working with special needs children and supporting organizations such as Meg's Smile, Children's Miracle Network, and Victory Junction. Through Kyla's platform, "Be A Hero", she has raised over \$3,500 for families in Robeson County who suffered losses in Hurricanes Matthew in Florence. Kyla is grateful to have served as Jr. Miss Lumbee in 2015 and the current Teen Miss Lumbee. She wants to relay a message to Lumbee youth that no matter what obstacle they face, they can overcome through strength and perseverance.

THE LEGEND OF PAPA BILLS

I grew up on a farm in North Carolina with a family of 13 children. Like most families in that time, we raised our own livestock and worked the land as a means of livelihood. Once a year we would gather for a "Hog Killin'."

After we processed, cured and smoked the meat, we hosted a family bar-b-que. My father taught me the art of Open-Pit style cooking. Since then I taught this art to my children, too. For a while, I continued to cook for family . . . then friends...and so on, until finally, our family decided to offer what we had to the public – thus came Papa Bill's BBQ.

Here at Papa Bill's we only use the best cuts of USDA pork, ribs, and whole chickens. Our meats are cooked over live oak and hickory coals on an Open-Pit for 6 to 10 hours to bring them to slow tender perfection. So if you like what you taste tell others, and if you don't, please tell us. Thank you for your business! Come see us again!

stephanie.chavis@co.robeson.nc.us

Stephanie Velicity Strickland Chavis was born in Robeson County, on April 5, 1965, to the late Ray Strickland and wife Pandora, of Pembroke. Her mother was an Educator and her father was a Law Enforcement official. She has one sibling; Michelle Strickland. Stephanie was married to the late Delwood Chavis, and they had two daughters, Anya ShaLee and Kristen Mataya. She is blessed with 3 grands; Xavier, Aloysius and Adelyn.

Stephanie was one of the members of the last graduating class of Prospect High School, Class of 1983, just before students had to begin attending Purnell Swett High School. After graduating from High School, Stephanie continued her education at Pembroke State University, now known as UNC-Pembroke. She graduated with a Bachelor's degree in Criminal Justice. Since the University was established in 1887, the school celebrated its centennial in 1987. With Stephanie graduating in the Pembroke State University Class of 1987, she became a part of history, along with the other graduates, who signed a document which was placed in the wall of the Student Center, to be opened in the year 2087.

Stephanie began working for Robeson County Emergency Management as secretary in 1988 and later moved over to the Fire Marshal's office in 1992 to fill the position as Fire Inspector and Fire Investigator. Stephanie continued to work as Fire

Inspector and Fire Investigator until November of 2013 when she was promoted to Director of Emergency Management and County Fire Marshal.

Stephanie is (1) of six (6) female Emergency Management Directors and one (1) of three (3) female Fire Marshal in the state of North Carolina. She is the only female Lumbee Indian to hold these positions in North Carolina. She is responsible for planning and leading the responses to natural disasters and other emergencies. With Hurricane Matthew in 2016 and Hurricane Florence in 2018, Robeson County was exposed to devastation not seen in 50+ years. Stephanie served as the lead first responder in both incidents. She has served her county for more than 30 years and has a deep love for God, family, her job, the citizens and especially first responders.

Promoting Culture, Pride, Unity & Community

Lumbee Homecoming officially started in 1968, the year after Cheryl Ransom (Locklear) was crowned the first Miss Lumbee. It has grown since that initial beauty pageant into one of the largest events held in Southeastern North Carolina. The first Miss Lumbee pageant was held in September of 1967, around the Recreation Center Swimming Pool; now known as the North Carolina Indian Cultural Center. The late R&B music legend Percy Sledge served as a judge for the first pageant. Now, there are four additional pageants ranging from a Little Miss to a Senior Ms. Pageant. The week-long celebration features a parade, outdoor gospel music concert, food and craft vendors, athletic events, a car show, and dozens of other events. Lumbee Tribe, UNC-Pembroke, Town of Pembroke and others have added programs and events to coincide with Lumbee Homecoming, the Kiwanis of Pembroke sponsor the annual 5K run and the Lumbee Warriors Association host the Veterans Military Ball each year. Lumbee Indians from all across the United States look forward to returning home during the Fourth of July Lumbee Homecoming festivities year after year.

AURORA

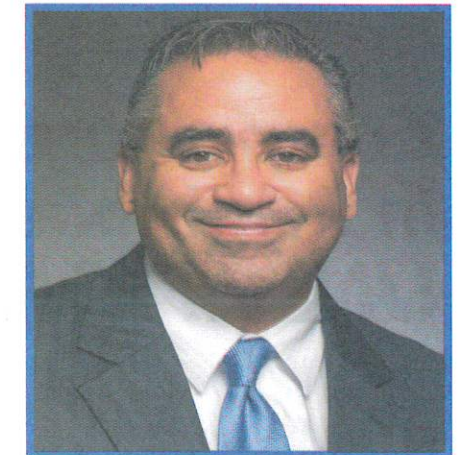

AURORA STRATEGIC ADVISORS, LLC

INVEST WITH CONFIDENCE BY HAVING A FINANCIAL PLAN

Aurora Strategic Advisors, LLC is a comprehensive, fee-based advisory firm. There are many firms who take a "we are the experts" philosophy which typically focuses on transactional business or short term gains. I started Aurora so we could be a "trusted adviser" who had our client's best interest at hand. I believe we are different from most of our competition. After reading about our firm, I hope you feel the same way. I understand the value of an educated client and we do everything in our power to help you understand the different aspects of investing. I am compensated exclusively by fees paid by our clients thereby allowing us to work in our clients' best interests. In other words, I act in a fiduciary capacity when advising our clients.

Our firm is built on two concepts, integrity and trust. I understand clients cannot begin to forge a relationship with a firm unless these two concepts are in place. I take those concepts and begin working with the unique needs of our clients to create the vision they have for their future. Our services are accessible to individuals and families, business owners, corporate retirement sponsors and high-network clients who need ongoing portfolio advisory services.

OUR CORPORATE RETIREMENT SERVICES

consultative approach begins with a thorough understanding of your goals as a plan sponsor. Whether it's maximizing deferral amounts for the highly compensated or ensuring the plan is in compliance with ERISA, we understand the complexities of retirement plan administration and design. Schedule a complimentary meeting to conduct a comprehensive and objective review of your current plan and create a report illustrating current and alternative opportunities to enhance your plan offerings.
