Rev. Robert "Bob" Mangum is a retired minister who has served as an outstanding leader in church ministry, justice, and social service in Robeson County, in North Carolina, and on church missions around the nation and world. He served as a minister in Robeson County from 1958 to 1991 and served as pastor for six different area churches. He has held many leadership positions in church ministries of the North Carolina Conference of the United Methodist Church (UMC) and in agencies that serve people in poverty in Robeson County.

In 1991, after thirty-three years of ministry in Robeson County, he became executive director of the Southeastern Jurisdictional Agency for Native American Ministries (SEJANAM) at Lake Junaluska, NC. In 2000, he returned to Robeson County to become the first coordinator of the Rockingham District Native American Cooperative Ministry of the UMC and to pastor churches. Since 2002, he has served as a volunteer pastor for Hickory Grove United Methodist Church in Clio, South Carolina.

From 1969 to 1978, Rev. Mangum was a leader in the creation and operation of Robeson County Church and Community Center. He has served as a leader for many community agencies and organizations. The following are a few of those: Lumbee Regional Development Association, Robeson County Board of Education, Prisoners Friends Society, Native American Interfaith Ministries (The Healing Lodge), and Robeson County Community Development Corporation.

Rev. Mangum has served as a leader at the state and national levels on activities related to Native American ministries, volunteer missions, and disaster relief efforts. He volunteered with work teams to provide assistance to families suffering from hurricane storm damage in Florida and Louisiana. For many years, he served as a leader for work teams from local churches to serve in countries in Nicaragua and Bolivia.

Rev. Mangum has lived a life of passion for holistic ministry with a commitment to pastoral evangelism, missions, justice, and social service ministries. Of his work he said, "Love is drawn by opportunity, not driven by obligation." Rev. Mangum received numerous honors and awards for his work in the church and the community, his service, and accomplishments. The following are examples of some of the honors and awards given to Rev. Mangum. UNC-Pembroke gave him the honorary degree Doctor of Humane Letters. SEJANAM established the Bolivia Educational Ministry Endowment in his honor. LRDA gave him a Distinguished Service Award and the first Hamilton McMillan Award.

For over 60 years, Rev. Mangum has provided outstanding leadership and service in professional, civic and public service organizations in communities where he lived. He has served as a catalyst for great change in Robeson County where he worked to involve people across racial, class, and denominational separateness to work in cooperative endeavors to identify and address social problems. People that know of his work agree that he is a leader in addressing problems of poverty, injustice, voter rights, and empowerment of the poor and downtrodden.

Born in Washington, DC, and reared in Brandywine, Maryland, Rev. Mangum has traveled extensively in his career and service. He graduated from Asbury College in Wilmore, Kentucky in 1955. He graduated from Asbury Theological Seminary in 1958 and completed further studies at Duke Divinity School, in Durham, NC.

Rev. Mangum and his family came to Robeson County in 1958 where he served as pastor of First Methodist Church of Pembroke and pastor of the Methodist Student Movement on the campus of Pembroke State University. Rev. Mangum and his wife Neila Roberts Mangum live in Pembroke. Mrs. Mangum taught for four years at Pembroke High School and worked for 18 years at UNC-Pembroke. Their three children: Phyllis, Susan, and Steve all attended school in Pembroke and graduated from Pembroke High School. The family has grown and includes 13 grandchildren.

VISIONARY

Mrs. Patricia was a person who would vision things most people would never dream of. She would envision a project, grab the opportunity, and work until something good came from it.

PROUD MOMENT

Mrs. Patricia was proud to announce that low income children would have access to health insurance.

"HOW ARE THE CHILDREN"

Mrs. Patricia would always ask "and how are the children" Thanks to her hard work and dedication the children are fine. They are enjoying the fruit of her LABOR.

"THANKS A MILLION"

As Head Start Director, Mrs. Patricia Locklear and staff won the N.C. Head Start Association Membership drive for four consecutive years.

GIVING HEART

Mrs. Patricia Locklear presents a check for \$500.00 to Ashley Emmanuel. Ashley was diagnosed with a heart disease and needed a heart transplant. Mrs. Patricia would always reach out to those in need.

SPREADING CHEER

Mrs. Patricia spends Valentine's day spreading Love & Joy with children on the pediatric floor at Southeastern Regional Medical Center. She made sure all the children received a gift and Valentines card.

THE BEST

Mrs. Patricia once said "poor children need some rich children toys". She always made sure the children had nice books, fresh crayons, comfortable mats for nap time, a nice facility, and a positive learning environment.

Early Head Start

Early Head Start was established under the 1994 Head Start Reauthorization Act to serve low-income pregnant women and families with infants and toddlers. We are family centered, community based, and designed to enhance children's physical, social emotional and intellectual development.

We support parents in fulfilling their parental roles and help them move toward independence. Our program responds to the unique strengths and needs of the community and of each child and family within the community.

Early Head Start has a broad range of flexibility in how we provide our services for example; families of young children with disabilities or developmental delays are provided an all-around environment.

We are committed to the success of your family.

Little Miss Lumbee

WOW! What an amazing year this has been to be Little Miss Lumbee. I have had the pleasure of being involved in the 1st annual Lumbee River Day. We also had the honor of being invited to participate in the Installation Ceremony of Chancellor Dr. Kyle Carter at UNC-P. We were also invited to attend the UNCP Commencement Ceremony. Thank You to Dr. Carter and UNC-P for including the Lumbee Ambassadors in these historic events. I will never forget the month of November, and I have a new appreciation for Native American Indian Heritage Month. Thank you to John, Terry and the Lumbee tribe boys and girls club for giving me a one on one education in Pow Wow etiquette. It sure did come in handy when I participated in the Gathering of Nations Pow Wow in Albuquerque New Mexico. For anyone who has an appreciation for Pow Wow's this is a must see event, and they LOVED us.

I have been blessed with having two amazing, strong and wise Great Grandmothers: Atelia "Addie" Chavis and Evelyn Locklear. They have taught me true Lumbee things like shelling peas and shucking corn. I would like to dedicate this year to Belinda and Jerry Brewer-Brewer's body shop for sponsoring me; Mrs. Belinda if it was not for your continued love, dedication and excellent pageant skills I would have never competed in the pageant and won. To my Aunt Nena and Aunt Robin thanks for helping me get to my appearances and always being there to help out. To Aunt Lisa and Uncle Malcolm we would have never made the Albuquerque trip if it wasn't for your help. Thanks to everyone for helping me prepare for the pageant: Mrs. Amber Miller- you are a hair and make-up warrior, Ms. Patty West, Deidre Locklear, Brenda Storms, Lucinda Oxendine, Jena and Gina Revels, Kim Ramsey, Mrs. Rena Jacobs- You are a sewing Queen I loved my regalia's. Mrs. Yvette, Mrs. Shannon and To Mrs. Maria at MHR you were a life saver last year. To Mrs. Donna Lowry- Caring Touch Home Health Care family- It is truly amazing the way you support the Lumbee Ambassadors. Mrs.

Morgan-Thanks for being the prettiest and best chaperone; you helped us make Robeson's Most Talented a huge success.

To my Piney Grove family- Mrs. Hathaway and Mrs. Averette thanks for supporting me and making it possible and painless to get to my appearances this year. Mrs. Sue you are the #1 secretary, Aunt Ronnie, I can always depend on you, and that has meant so much over the years. Thanks to all my teachers for helping me succeed starting with Rennert Head start, Mrs. Suzanne, Mrs. Martha, Mrs. Sealey, Mrs. Lucinda, Mrs. Crystal, Mrs. Reedy, Mrs. Donna, Mrs. Wanda, Mrs. Lanham, Mrs. Musslewhite, Ms. Ashley, Mrs. Velasquez, and a special thanks to Ms. Kelsey Cummings and Dustin Warriax for being cool. With all of your guidance and support I managed to make all my appearances and maintain an A average with all 4's on my EOG's. Go Pioneer Pride.

Carrying out my duties as Little Miss Lumbee has certainly been a family affair that has brought us closer together. Daddy Thanks for saving our lives when we were stuck in that tornado on the LRDA van, You are my hero, and Mama thanks for getting all that money out of Daddy (I wish I had a dollar for every time I heard, but Mark it's a tax write off). Thank God for Locklear Trucking. I would like to say Thanks, and I love you

to all of my family for all their love and support this year- Grandma Verlain, Grandpa Robert, Grandma Eyvon, Dexter, Uncle Robbie, Uncle Matt, Uncle John and Uncle Shane-I love you. Thanks to all my cousins for sharing in my year as Little Miss Lumbee and making it so special. To my sisters Marah, Madeline and Valin, I am so glad that I had ya'll with me on this amazing journey, we have made some wonderful memories.

The best part of being Little Miss Lumbee has been being the baby of the court. My court has taken such good care of me, and made me feel so important. Lyndsey you are pretty, an amazing dancer and singer. In Hollywood they would call you a triple threat. You have been a great friend and you have an awesome big family just like mine. Mrs. Karen you have kept me looking good all year long. Taylor you are beautiful, and I can't wait to cheer for you on American Idol. I will always cherish my bracelet and we will miss you and Mrs. Pam. Brandy you rock as Miss Lumbee and thanks to you and Mrs. Dale for being so thoughtful and going out of your way to make my sisters and me feel special with your gifts. I hope we will all, always remain close.

I wish that every little girl could be treated like Little Miss Lumbee. The Little Miss Lumbee 1st runner up curse has been broken, and I'm sure whoever wins will do a fabulous job. I will truly miss making appearances and performing in the community. I hope that I have proudly represented my people and myself, because I am so proud to be your 2010-2011 Little Miss Lumbee.

Love,

Nevaeh Victoria Locklear

*The Old Foundry Restaurant Gave Indian People The Opportunity
To Be Themselves, And Find Freedom In Doing So.*

"Indians through The Front Door"

The Old Foundry Restaurant was established in 1946 in Lumberton off highway 301 (since changed to I-95) being the only Indian owned and managed menu served Restaurant in Robeson County. This was ground breaking for Indian communities due to the racial segregation they were subjected to during these turbulent times. Racial segregation kept the American Indians and African Americans separate from the white Americans in daily activities, such as eating in a restaurant, drinking from a water fountain, using a public restroom, attending school, and going to the movies. The Old Foundry restored a sense of freedom and pride for Indians, giving them a place to enjoy a nice meal in a welcoming atmosphere where they mingled with new and old friends. The Old Foundry opened front doors for Indians versus sneaking through back doors to use bathrooms only to be told they couldn't because they were Indian.

Not only did the Old Foundry give Indian people a place to feel accepted and celebrated in who they were, the restaurant had a diverse menu with great food. The Old Foundry's menu specialized in seafood, steaks, chicken, homemade milk shakes and all beef hamburgers. They also were known for their fast and friendly curb service. The jukebox was a main stay for all who entered the doors of the Old Foundry. Bobbie Sampson, niece of the owners of the Old Foundry, recalls as a teenager fond memories of going to the Old Foundry "to listen to jukebox music and having a snack, especially after Friday night basketball games". This was a great hangout place for her and her friends. The Old Foundry played a big part in her life and still holds a special place in her heart today. There were governors and politicians who frequented the restaurant and it was even rumored that occasionally movie stars would stop in for a bite to eat after a long stretch on highway 301.

The Old Foundry was owned by Hubert and Hilton Oxendine. They along with their brother (Dobbs Oxendine Sr.) were born and raised in Fairmont, North Carolina. Their partners were Tillman Oxendine and Daisy Sniper Oxendine. The Old Foundry still remains in the family today owned by their nephew, Dobbs Oxendine, Jr. Dobbs Jr. says, "Working in all the different facets of the Old Foundry prepared me to fulfill my dreams as a successful entrepreneur and business man."

There are hopes in making the Old Foundry Restaurant as a North Carolina Historical site. If anyone would like to share old memories, facts, photos and etc. about the Old Foundry or support this historical site project, please contact Bobby Sampson 704-795-2341, or B1sampson@windstream.net.

Junior Miss Lumbee

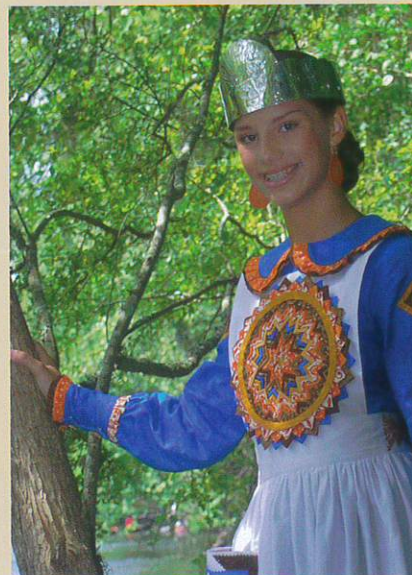

THE SAYING, "Time flies when you're having fun", is definitely true. I have had the greatest year traveling, making new friends and most of all representing you, the Lumbee tribe. It really has been an honor. I can relate to how Miss America feels, becoming Junior Miss Lumbee has absolutely been a privilege and admired title, just like hers. Becoming Jr. Miss Lumbee is not just another title, it is responsibility, loyalty, respect and perseverance all bundled together. You become an instant reflection of your tribe. It's like my mom and dad are always saying to me, "When you are out of this home and around others you represent who we are and what we believe in and always carry yourself in a gracious manner and respect your elders." This is the same thing that should be applied when representing the Lumbee tribe. This will be the next Jr. Miss Lumbee's duty, I wish you the best.

I would like to thank my Heavenly Father for his plans for me, because without him this would have not been possible at all. Jeremiah 29:11-13

I believe in the power of prayer and that the Lord guides me when I'm making decisions. I always seek him first for everything in my life. A situation can change and things can get better. So keep praying Lumbee People and don't ever give up on your dreams.

I would like to thank my parents for all their love and support. For all the times we spent together when they had to take me to appearances. Ethan, Kaden and Kara Delora I love you and thanks for your patience. Aunt Demetrius thanks for all those last minute appearances you helped me get too on time and Uncle Johnny for his patience. Grandma Ruth and Alex, thanks for babysitting Kara Delora so we could go to appearances that you had to be seated at, because she is a ball of energy and would have never sat still. To my chaperone and cousin Morgan you are so beautiful and talented thanks for all your help, and Brandon for cheering me on.

Mrs. Barbara thank you for making me look beautiful at appearances and especially last year at the pageant you were so strong

during that time, there are not many people who could have done what you did that night. To the impeccable and talented Mrs. Lori, you are the greatest and your ideas and style are unique and Thanks for believing in me. Ms. Chris you are a genius with a needle and thread. Thanks for making me look beautiful in my regalia. This whole year I had so many compliments on my regalia, thanks for your unique style and creativity. Thanks Ms. Ranessa for helping with my regalia and sashes, your precise timing paid off.

I want to thank all my family and friends that came out and supported me last year at the pageant and at other events throughout the year. Thanks for being the loudest cheers in the audience it made me feel very special and I love you. To my fans at Fullers Old Fashioned BBQ thanks for your love and continued support.

To all my Best Friends, Madison, Peyton, Carlie P., Austin, Amy, Zoe, Courtney, Ciena, Petrie, Colin, John, Justin, Kaelin, Makayla, and Landon thank you for supporting me from the beginning to the very end of my reign. You all are the ones that I would text when I needed someone to talk to. You were there through the good and the bad times. I do not know what I would do without friends like ya'll, I love you!!

Thank you to UNCP Chancellor Dr. Kyle

Carter for inviting the Lumbee ambassadors to be a part of your installation ceremony and then again for the 2011 graduation ceremony on the campus of UNCP. Dr. Carter is another reason why my choice for college will be UNCP when I graduate, because he cares about the rich history and heritage that is a part of the college. I would also like to thank you Mrs. Donna from Caring Touch for all your support for the Lumbee Ambassadors. Thanks Nick for your driving skills and taking me to practice, it was a big help for my mom.

To my sister ambassadors, It has been a great year I love each of you and I am really going to miss seeing all of you. Nevaeh, I can remember when I first met you last year at practice for the pageant, we became friends then and you are a baby doll with a big voice. Taylor, I am so glad we became such good friends and I will be cheering you on for the next American Idol. Brandi, you are going to be a great teacher just keep following your dreams and thanks for all the unexpected gifts this year, not only for me, but you would bring gifts for my family too. Mrs. V, Mrs. Pam and Mrs. Dale thanks for your amazing daughters and all the good times we shared. I will never forget the time we had the flat tire on 95 and being rescued by the Fullers catering van. Mr. Mark saved us from the tornado when we were on our way to the Hollister Pow Wow and Mr. Chuck for helping with Robeson County's Most Talented.

We have had the best year with lots of memories that I will cherish and keep close to my heart. I am not looking forward to the year ending; I am going to miss all of the appearances and acknowledgement that comes with being Jr. Miss Lumbee. I hope that I have made you proud and once again it has been an honor to represent you, The Lumbee Tribe.

Yours truly,

Erika Lyndsey Locklear

Teen Miss Lumbee

This past year I was given the opportunity to represent the Lumbee nation yet again as a young Lumbee Ambassador. I feel a strong sense of pride in being representative of the First Americans. My parents as well as others have helped me learn and realize that with this honor comes responsibility. Being Teen Miss Lumbee is not all glamour but a job in itself. This responsibility is to serve as a role model for others and conduct your self in a manner befitting the Lumbee people.

This behavior is prevalent not only at special events but in everyday life. I have represented you, the Lumbee Nation, at many powwows, parades, and also social and community service events. My travels to many schools and churches around the country hopefully have inspired others to learn more about God and our native people. My family and friends have been with me every step of the way and I would like to thank them with all my heart. I could not have done it without your support. Also this year, I have been able to promote my platform, Abstinence to the young people in our community...

To the Teen Miss contestants and to young people everywhere always remember – Romans 12:2 says: *Don't copy the behaviors and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know Gods will for you which is good and pleasing and perfect.* The Creator of the galaxies, stars, and colors loves you so much that he has counted every hair on your head! When God looks at you, he does not do so with the dislikes that maybe you look at yourself with. He sees a masterpiece that he has skillfully designed. God sees you this way because he loves you. You are all beautiful.

In closing I would like to wish all the contestants the best of luck. I encourage the winner to cherish every moment because it goes by so fast. It is a great honor to represent our Native people.

RENEWABLE ENERGY?
— You're lookin' at it. —
 Hydro. Solar. Wind. Geothermal and more. The power we send to
 your home comes from all over the place. So we figure it's up to us to
 take care of the one place we all call home. That's why co-ops across
 the country are leading suppliers of renewable energy. And we'll
 continue to lead..for one really good reason.

Miss Lumbee

One of my all-time favorite novels and movies is Zora Neal Hurston's *Their Eyes Were Watching God*. Janie, the major character, poignantly reflects after the death of a loved one that, "there are two things in life that you have to learn for yourself—you have to learn about love... and you have to learn about living". This past year has been a continuous cycle of learning about both of these things, and while the lessons I've learned has coincided with pain, it has ultimately taught me about valuing myself ... and valuing others. God has given to each of us ... potential and time. Some people get more of both ... than others. Regardless of how fair or unfair it seems, it is up to each of us individually to use what God has given us. I don't know how much time I have here on earth, but I do know God has given me the greatest of all potential ... the potential to love. I genuinely love people. It has never mattered much to me what a person's race was, religion, lifestyle choice, or even station in life—what has mattered most to me is that every person is a human being. Because of this ability to love others, I also have the capacity to love without judgment. As Miss Lumbee, being under the microscope and judgment comes with the territory. Everyone has their own idea of how Miss Lumbee should act and speak and walk, but I always saw myself as Brandi Scott first—a person who loves to sing all kinds of music, to dance, to laugh, and to love with all the passion in my soul. And for me to hold back any part of what was the genuine and true me... seemed a lie. Throughout my reign, I met so many people whose faith in me was unwavering and I can't tell you how much that has meant to me. People like Mr. Errol Oxendine, Mr. Woody Sampson, Mr. Woodrow Dial, Mr. Horace Hunt, and Mr. James Hardin. There were others too, particularly all the singers, dancers, and drummers on the Powwow circuit ... these people were, are, and will continue to be my family. To Morgan Hunt, a former Miss Lumbee, and my Coordinator, I would like to say that it was you who completely turned my reign around. You are a person who

looks for the good in others and you are a builder of our community. Billy Hunt, Terry White, and John Oxendine, these young men know so much about our culture and just when I thought I couldn't learn anymore, they always surprised me with something new. These people are leaders of our community and keepers and teachers of our culture, and I want them to know that I appreciate everything they've ever taught me. Finally, I would like to thank the Ambassadors and their families. I love each and every one of you. I would like to remind each of the queens: Taylor, Lyndsey and Nevaeh: "Never forget who you are on the inside—that part of you that is so full of life and laughter, and if some day you should question who you are, you can remind yourself that you are you and no one has the right to make you into something you're not. Stay true to that girl on the inside, because when all is said and done, only you will have to live with who you are or who you've become. Remember too that reputation is who people THINK you are, but character is who you KNOW you are." I would like to say to our Lumbee people: "Love your new Miss Lumbee, support her, encourage her... let us be a people known for building up instead of tearing down. I would say continue to love others without judgment and without reserve for our Lord Jesus Christ has always done so and he is the perfect role model ... the rest of us are only human beings ... saved alone by his Grace." Someone once said that "life seems like chapters of goodbye" and I guess there is some truth in that because I've said goodbye more this past year than I have ever said goodbye in my life. And while I say goodbye to this part of my life forever, I immediately open up a door to the future, and I know... that God is always ... guiding my footsteps.

Head Start is a comprehensive preschool program that provides free services and support to eligible children and their families. The goal of Head Start is to help ensure all children enter kindergarten ready to succeed.

The program includes:

- Early learning preschool
- Family support and parent involvement
- Child health coordination and nutrition

Head Start will provide your 3-5 year old with an individualized early childhood education in a positive, structured environment with highly qualified and dedicated teachers. There are also specialized services available to

children with disabilities. We provide on-way transportation by bus as well as nutritious meals and snacks while they are in our care.

We believe in compassionate partnerships between Head Start staff and parents on behalf of their children as the foundation of success. In addition, because parents are their child's first and most influential teachers we offer parenting classes and interest workshops.

We are also committed to the success of your family therefore, we offer personalized family support services to help remove barriers and deepen the ability for parents to support their children.
